Dear Parents,

Warm Greetings!

We are happy to inform you that 'OLYMPIAD' examinations will be held this year as well, as a regular practice. Step Up School is organizing various National and International Olympiads (conducted by SOF) for Classes I – XII during the session 2024-25.

These Olympiads develop a greater competitive spirit, better assessment and exploration of potential among students. The analysis of the performance is done at individual student level, class and school level. To motivate students into performance excellence, students will be awarded based on their School, Zonal and International ranks.

**Information regarding the Olympiads is given below:**
