## Invitation to Participate in SUS Model United Nations (MUN) 2025

Dear Parents,

With great enthusiasm, we are proud to announce that the Step-Up School is conducting its Home Intra–School MUN (Model United Nations) Conference on **8 August 2025** for students from **Grade VI-XII**.

### ❖ WHAT IS MODEL UNITED NATIONS?

Model United Nations (MUN) is an educational simulation where students act as delegates representing different countries in a mock United Nations conference. Participants discuss global issues, debate policies, negotiate solutions, and practice diplomacy and public speaking skills. It helps students learn about international relations, develop critical thinking, teamwork, and leadership abilities in a fun, interactive way.

### ❖ WHY SHOULD ONE PARTICIPATE IN MUN?

An MUN not only exposes participants to international issues but also encourages a solution-focused approach to tackling these problems. Taking part in an MUN conference helps build the confidence to advocate for one’s beliefs and equips individuals to face the challenges of the world with readiness.

### ❖ WHAT WILL ONE GAIN?

**An Engaging Way to Learn About the World:** In today’s globalized world, being aware of international affairs is essential. MUN offers a fun and interactive way to understand global issues, making learning easier and more memorable.

**Leadership Development skills:** MUN involves research, public speaking, and teamwork—key skills that are valuable throughout your career. It provides a great opportunity to practice and enhance these abilities while still a student.

**Networking Opportunities:** Participating in MUN helps you build a network of fellow students, alumni, and professionals you meet during conferences, which can open doors in the future.

### Event Details:

**Event:** Step Up School Model United Nations (MUN)
