# ANNDANAM

## Students Spread Joy with Heartfelt Food Distribution Drive for Society Workers

In a commendable act of compassion, a group of dedicated teachers and students of Step Up School recently organized a food distribution drive to honour the often-overlooked workers of local societies—security guards, maids, and other staff members who work tirelessly behind the scenes to ensure the smooth functioning of these communities.

The initiative, carried out over the weekend, aimed to bring a touch of joy and relief to these hardworking individuals. With the support of their school teachers, the students collected essential food items and carefully assembled them into thoughtful care packages.

For many recipients, the gesture was deeply moving. Facing long hours and financial challenges, they expressed sincere gratitude for the students' kindness. "It feels heartwarming to be remembered," shared a security guard. "We often go unnoticed, but today, we feel valued and appreciated."

The experience was equally impactful for the students. It offered them a meaningful opportunity to connect with the people who contribute to their daily lives. "We wanted to give back, especially to those who keep our societies safe and clean," said one of the student organizers.

# CHRISTMAS

On December 24th, 2024, Step Up School hosted a joyful Christmas celebration, bringing the entire school together to mark the occasion. The event featured a delightful blend of creativity, music, and festive fun.

Meanwhile, the younger students from Grades Kindergarten to II engaged in a fun and creative craft session, making beautiful Christmas-themed items. They created charming Christmas trees and Santa Claus figures using ice cream sticks and decorated sparkling Christmas bells. Their creativity didn't stop there, as they also danced to cheerful Christmas songs and sang carols, adding to the festive atmosphere.

The highlights of the celebration was the surprise visit from Santa Claus, who spread joy among the children by distributing candies and brightening their day with a magical touch.

It was a day filled with creativity, music, and laughter, as everyone came together to celebrate the spirit of Christmas.

# REPUBLIC DAY

For the younger students in the foundational stage, the celebration focused on both learning and creativity. Teachers explained the significance of Republic Day, helping them understand its historical importance. The little ones then participated in a fun and engaging activity, creating tricolour flags and kites that symbolized freedom, unity, and the spirit of the nation.

On 26th January, all the staff members of the Step Up Family gathered together to hoist the national flag. This solemn moment was followed by everyone singing the national anthem in unison, fostering a deep sense of unity and patriotism.

### The Greedy Friend

Once upon a time, there lived a merchant. His name was Rohit. He was living a very comfortable life.

But One year his business fall rapidly, so he couldn't have any earning. He fell into debt and not even pay his loan.

So he started to sell his belongings to get money and decided to go somewhere else in search of livelihood. He sold everything except his iron lock. He gave it to his friend Rajesh to keep it safe.

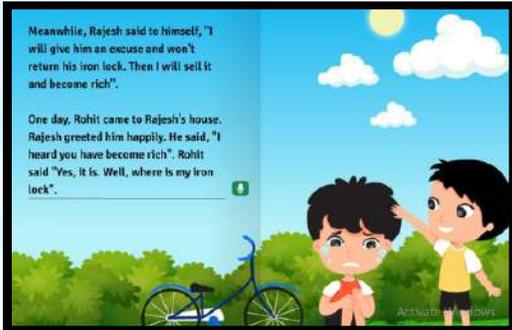

He narrated the whole matter and said " Dear friend, please keep it safe until I return." Rajesh said in reply " I'll keep it safe. You don't worry." Rajesh said goodbye to him and left.

Fortunately, he made huge profits in business in the other city. He returned to his city and got his enormous mansion back.

Meanwhile, Rajesh said to himself, "I will give him an excuse and won't return his iron lock. Then I will sell it and become rich!"

One day, Rohit came to Rajesh's house. Rajesh greeted him happily. He said, "I heard you have become rich". Rohit said "Yes, It is. Well, where is my iron lock".

When his son didn't return till evening, Rajesh got worried. He went to his house and asked for his son. Rohit said "Oh so sorry my friend, Your son got carried away by an eagle. It took him when we stopped at the river to drink water." Rajesh said " It's impossible for an eagle to carry a fifteen-year-old boy". Rohit replied, "If it is possible for mice to eat iron lock, then it is also possible for an eagle to pick up a boy".

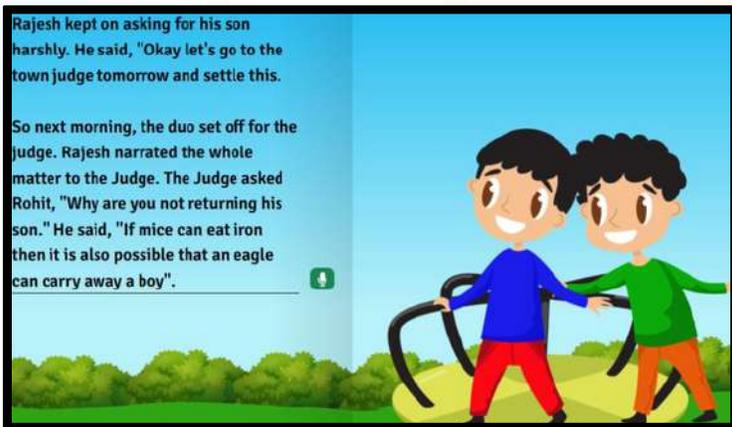

Rajesh said, "Oh the mice ate it all. I am so sorry." Rohit understood his trick. He said, "Okay, let your son come with me. I will shower him with gifts". Rajesh allowed him. But instead he locked him inside a room.

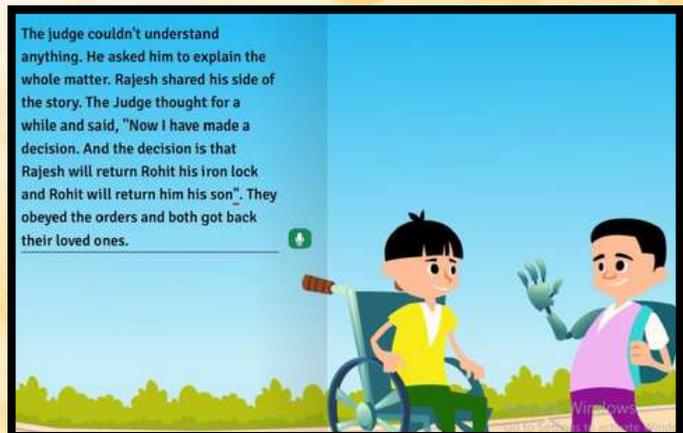

Rajesh kept on asking for his son harshly. He said, "Okay let's go to the town judge tomorrow and settle this.

So next morning, the duo set off for the judge. Rajesh narrated the whole matter to the Judge. The Judge asked Rohit, "Why are you not returning his son." He said, "If mice can eat iron then it is also possible that an eagle can carry away a boy".

The judge couldn't understand anything. He asked him to explain the whole matter. Rajesh shared his side of the story. The Judge thought for a while and said, "Now I have made a decision. And the decision is that Rajesh will return Rohit his iron lock and Rohit will return him his son". They obeyed the orders and both got back their loved ones.

## My Lovely Friends

I laugh and play with all my friends,  
The fun and joy just never ends.  
We share our toys, we sing and run,  
Every day is full of fun!

In school we learn, in games we cheer,  
I'm happy when my friends are near.  
With smiles so bright and hearts so true,  
I'm glad I have such friends like you!

## Poem on Farewell

As we stand hand in hand,  
Our time together comes to an end.  
We laughed, learned, and grew as one,  
Together facing challenges, having fun.

Our teachers guided us with care,  
Helping us discover, share and dare.  
From math to science, to art and more,  
We explored the world, curious and sure.

As we move on to Grade VII's door,  
We'll carry memories and lessons galore.  
Farewell, dear friends, farewell, dear guides  
May our paths cross again, with joy inside.

## GRADE XII

अगर मंजिल एक है तो ,  
सफर अलग-अलग क्यों करना।  
अगर कक्षा एक है तो, अलग-अलग क्यों फिरना ।  
तुम पूछोगे कुछ तो जवाब हमारा होगा ,  
तुम लड़ोगे तो साथ हमारा होगा ।

जब बिछड़ जाएंगे हम ,तो बीते लम्हें हमें कुछ यूं याद आएंगे  
होंगे कहीं और तो आंसू तो तुम्हारे भी आएंगे।

फिर याद आएगी वो बातें सारी, किस्सा फिर किसी का यूं चेहरे पर हंसी ले आएगा।  
कैसे हम अपने दोस्तों को सताया करते थे,  
छिपाते थे चीजें और नाम किसी और का लगाया करते थे।

लंच बांट बांट कर यादों का गुलदस्ता सजाया करते थे ,  
यूनिफॉर्म पर आई कार्ड किसी और का लटकाया करते थे।

सर्दी लगे, तो स्वेटर अपने दोस्त का ही पहन आया करते थे।  
फिर उसे खाली शर्ट पैंट में घुमाया करते थे।

टीचर से बार-बार स्पोर्ट्स का टाइम टेबल बनवाया करते थे,  
चोरी चोरी किसी का लंच भी हम खाया करते थे ।

होमवर्क न करने पर, बहाने अनेक बनाया करते थे ।  
टीचर को भी अपने साथ गेम्स पीरियड में ले जाया करते थे।

परीक्षा के वक्त में टीचर को फोन घुमाया करते थे ,  
सारे संशय मानो, एक ही वक्त में सुलझाया करते थे।

फिर मिले वक्त खाली तो, इधर-उधर अपनी शैतानियां दिखाया करते थे,  
अब कहां वो वक्त होगा, नसीब में जाने फिर किसका साथ होगा।

फिर कौन हमारे दर्द को समझेगा, रोएंगे तो फिर शायद हंसी दिलाने वाला कोई और कहां होगा ।

*Session: 24-25*

## FOUNDATIONAL STAGE

The students of the foundational stage (Grade KG-II) marked the last day of the session with a joyful celebration, filled with laughter, dancing, and song at a delightful class party and movie time held in the ABESIT Auditorium. They enjoyed yummy snacks, shared precious moments, and created memories that will last a lifetime.

STEP UP SCHOOL takes immense pride in its little munchkins as they transition to the next level of their educational journey, where they will continue to grow, explore, and express themselves. We wish them all the best as they step forward with excitement and curiosity into the new horizons that await!
